

NUMBERS AND DEUTERONOMY

INSTRUCTOR: Keith A. Mosher, Sr. D.Min.

September 20, 2018

Meets Every Thursday at 11 a.m.

Textbooks:

1. King James or American Standard Bible.
2. Book of Deuteronomy; Memphis School of Preaching Lectures: also on the MSOP CD from 1988.

Assignments:

1. Read
2. Take copious notes
3. Prepare a ten-page introduction to Numbers that deals with critical issues such as the Mosaic authorship, etc. Due that next to last week of class. The paper will include a Works Cited list done according to MSOP writing instructions. For an example check a recent lectureship book.
4. Prepare a ten-page introduction to Deuteronomy per the above instructions for Numbers.

Class:

1. Introduction to Numbers
2. Verse by verse lectures
3. Introduction to Deuteronomy
4. Verse by verse lectures

Tests:

There will be an in class test given after each book is finished

Addendum:

1. Writing assignments, as noted above, are for those seeking a graduate diploma.
2. For those seeking a certificate, the papers will need only to be five pages in length.
