## FROM THE OFFICE OF THE PRESIDENT

*Keith Dixon (1980)*

Doesn't that sound good? We do need to communicate with one another often. This communication takes the form of two areas: one is listening to what the other person says, and the other is stating what you mean to say in a calm and quiet way. When we do communicate with each other often, it takes guess work out of what other people are thinking and what needs to be done. So here, we are trying to communicate to others.

First, there is the lectureship. This is an important event to many on different levels. This is a time for the alumni to come back, fellowship, and talk to old classmates. It is a time to meet new people, maybe from other classes and also other folks, who are attending the lectureship. It is also a time to get recharged. The batteries may be getting low and discouragement may be high.

It is also a time for learning. We can always learn more about the Bible. We can learn lessons that we can take home and

preach and teach to others. We also can learn about our fellow classmates, where they are, how they are doing, and how the children or grandchildren are doing. It may be a time to learn who is looking for a position and who is looking for a preacher.

There is another reason to come to the lectureship this year. The Alumni Association has been working on this for a couple of years. It is the material from brother Hearn. We are gathering this material and changing it from only hard copies into a medium that can be used on computers. This will enhance anyone's and everyone's library. His work on the Holy Spirit is worth the cost of the flash drive. All of the material will be valuable information to have in one's library.

There may be other reasons to come to the lectureship. You may have your own reason to come. It will be good to be encouraged by your presence. Come and be a part of the lectureship!

# A Wonderful Anniversary

*B. J. Clarke*

January 13<sup>th</sup> marked the 60-year anniversary of the Knight Arnold/Forest Hill church of Christ. The church has done many good works in its 60-year history, and one of those works is the Memphis School of Preaching.

The School began in 1966 and has continued now for over 50 years in training men to become Gospel Preachers.

It is no exaggeration to say that the Knight Arnold/Forest Hill congregation has, over the years, supplied multiple millions of dollars of support from her treasury in order to train men to “Preach the Word” (2 Tim. 4:2).

It is also no exaggeration to say that in its blessed history, the Memphis School of Preaching has received millions of dollars of support from numerous congregations and good brethren like you.

Has this investment of millions of dollars been worth it? What would Jesus say about it? He said, “For what is a man profited, if he shall gain the whole world, and lose his own soul? Or what shall a man give in exchange for his soul? (Matt. 16:26).

The clear answer is that even if only one soul ends up saved, because of the work of the Memphis School of Preaching, then all the millions and millions of dollars contributed would have been worth it all!

We are very appreciative for the support the school continues to receive. It all adds up, and only Heaven knows just how many souls will be saved because of your support of preaching the Word!

## ***SPECIAL ANNOUNCEMENT***

Not only has the congregation here celebrated a milestone anniversary, so have many of our preaching brethren. On Monday afternoon, April 1<sup>st</sup>, at 4:15 PM, we would like to announce that we will be having the **Decades of Devotion Dinner** in which we will honor preachers who have preached faithfully for decades. Brother Robert Taylor is celebrating his 70<sup>th</sup> anniversary of preaching this year, and he is a confirmed speaker. Also, brother John DeBerry will be celebrating over 50 years of preaching. He will also speak. We will have preachers stand in groups for the different decades preached. The whole purpose is to exalt the work of preaching, to inspire others to consider this for their life’s work, and to encourage preachers to not grow weary in well-doing.

Included in this newsletter is a flyer advertising the 2019 MSOP Lectureship. The lectureship always begins on the last Sunday in March and continues through Thursday evening. This year’s theme is “Purer In Heart, O God.” This corrupt world needs purifying and continued purity thereafter. We cordially invite you to mark your calendars for this rich and rewarding study, March 31-April 4, 2019!

## ANNOUNCING OUR 2019 MSOP LECTURESHIP

*Keith A Mosher Sr., Lectureship Director*

The theme of a hymn is: “Purer in heart, O God, help me to be.” It is the prayer here at Memphis School of Preaching that this 2019 lectureship will help all who attend and/or read the lectures to be motivated to a purer heart in service to the Father. The idea for this series came from B.J. Clarke, director of the school, and several other areas for study were suggested by others.

From the first lecture on Sunday morning until the last one Thursday evening, the emphasis will be on purity; this is a most needed theme in this age of relativism and debauchery. Many, some even among God’s children, live as if there were no objective standards of morality and thought. Dress, speech, actions, and attitudes, today, are often less than pure, and few seem to care that God has spoken on these matters (cf. 1 Pet. 1:16-17).

The subjects chosen cover every Bible subject possible in the time allotted; from the subject of who are the pure in heart to building on a pure and sure foundation. God’s purity and man’s need to be holy are discussed from a number of angles; even the purity of motives and thought processes were assigned to the speakers. Purity of the use of the tongue, a huge problem in and out of the church, is

emphasized, along with the purity demanded by God when one is preaching the gospel of Christ.

The subjects for the special ladies’ classes were derived from Philippians 4:8, and the emphasis is purity of each thought given by the apostle Paul. Some of the sisters in Christ, who are members at Forest Hill, have agreed to emcee these important lectures. Such involvement is wonderful indeed.

Please keep in mind the Prospective Students and Supporters Seminar at 2:30 p. m. on Tuesday. This activity is designed to inform prospective students of the program, the facilities and staff, and the means of raising their support. You are among the finest and most dedicated recruiters for your alma mater. Also, any friends who wish to learn more about supporting the School are welcome at the Seminar.

We are certain that you are making plans to be present, if at all possible. A form may be found on the website at [www.msop.org](http://www.msop.org) for you to fill out to help us prepare for these events. Please click on Lectureship. Then on the bottom of the next page click on Register. Please fill it out immediately whether or not you can be present as we need your updated

information.

Contained in our prayer is the plea that every Christian will make an effort to be purer in heart and may this series edify all to that end. Preachers, especially, need this study, as do all. May God bless this effort.

You are a very important part of the success of lectureship week; it will not be

as great without you. We look forward to seeing you and your family.

Please help in the advertising of the lectures and other happenings, in your bulletin, etc. God bless your work for Him. Pray for us.

Remember -- *GO AHEAD AND FILL OUT THE QUESTIONNAIRE.*

# ALUMNI NEWS

## Death

Former MSOP Instructor **Don Walker (HA-2017)** passed away on January 24<sup>th</sup> following a second heart transplant operation. He was the Director of the Southwest School of Bible Studies in Austin, TX, a faithful gospel preacher, a wonderful co-worker, and a good friend. We extend our sympathy to his wife, Jackie. You may write her at Jackie Walker, 113 Carrington Dr., Buda, TX 78610. GBN prepared a memorial to brother Walker. It can be seen on U-Tube using the link below: <https://youtu.be/zYqcMplLGW4>

## Death

**Paul Meacham(2004)** passed away and his funeral was held on December 11<sup>th</sup> at the Eastern Meadows church in Montgomery, AL. April wrote thanking the Alumni Association for our remembrance and financial help. Our sympathy to the family.

## Moving

**Mark Reynolds (1999)** will be the new preacher at Forest Hill. The elders issued the following announcement: “The elders are pleased to announce that Mark Reynolds has accepted the position of pulpit minister for the Forest Hill congregation. Mark is a 1999 graduate of the Memphis School of Preaching, receiving the Outstanding Student Award in his class. Mark has preached for 25 years both as a located minister as well as at gospel meetings, lectureships and on numerous mission trips around the world. He comes to us from the Towne Acres church of Christ in the Muncie, Indiana area where he has served as the pulpit minister for nearly 20 years broken up by a three year stint at the Charlotte Avenue church of Christ in South Carolina. Since 2016, Mark has also served as the Regional Director for the Bear Valley Schools

of Preaching in Asia – helping to teach and coordinate academics in a number of schools across Asia. Mark and his wife, Mindy, will be joining us along with their youngest daughter, Corinne, who is a senior in high school. They have two other daughters, Cassidy, who is married and completing her final year of pharmacy school in Nashville and Abby, a sophomore at Freed-Hardeman University. Mark and his family will begin their work with us in early February.”

## Transition

**Kevin Thomason (1983)** is no longer preaching for the church in Bradford, TN. He is now preaching for the Dresden church of Christ which meets at 501 Evergreen Street in Dresden, TN. However, he is still residing in Troy, TN.

## Transition

**Howell Ferguson (1984)** is the new stateside coordinator for the Chimala Mission in Tanzania. Also, the New York Ave. church of Christ, after more than 20 years under capable hands, has given the oversight of the

mission to the Dalraida church of Christ in Montgomery, AL. Howell writes, “January 1, 2019 is a new mark in the history of the

Chimala Mission. As with any large undertaking, transition is both a time of excitement and risk. To assume the work of the Chimala Mission with its rich and colorful history is an opportunity to bring together fresh ideas with renewed efforts. At the same time, attempts at change made by a new administration must be approached with great wisdom and patience with the mission's stability and continued effectiveness in mind. However, I am optimistic that the fervent prayers and support of so many people who love the Chimala Mission will continue to bring about God's blessings. We know that God will provide His people with what they need—at Chimala or anywhere else. You are very important to the success of the Chimala Mission. By the time you receive this newsletter Richard and Carol Rogers, Bill and Cyndi Stinson, **Gage (2006) and Kelly Coldwater with Aurora and Pike**, and Mary and I will be at Chimala together. There are many aspects of the mission that I will need to learn working alongside the mission administrator, Menard Swila. Menard was one of our first graduates of the Chimala Bible College. Excelling both academically and spiritually, he naturally arose to the position of leadership that he holds now. I know he will make my job much easier as I have much confidence in his integrity and leadership. Also at the mission, we will have discussions with the CSOP staff concerning ways of improving the effectiveness of preacher training and evangelism. We will be exploring methods to help existing preachers currently working with churches not only to learn how to become self-supportive, but also teach churches some of these same principles."

#### **Moving**

**Ben Wright (1997)** writes, "I hope you are doing well. Just wanted to let you know that my family and I are leaving the

West Walker congregation after 18 years, and we are moving to the Blackwater Macedonia congregation."

#### **Moving**

**David Stafford (2017)** writes, "Nicole and I are excited to announce that we will be working with the West Walker congregation in Carbon Hill, Alabama beginning February 3. This is an opportunity for us to work with a great, sound congregation that is closer to our families. This congregation also supported us while we were in school. We believe it is a great opportunity. We ask that you let the school and alumni foundation know of our new work and pray for each congregation through the transition process."

#### **Moving**

**Heath Johnson (2006)** writes, "I began work with the church of Christ of the Palm Beaches in West Palm Beach, FL on October 7, 2018. All the effort you do in putting together the Laborer's Together Newsletter is greatly appreciated, may God continue to richly bless you! Have a very happy New Year."

#### **Moving**

**Wayne Rodgers (2009)** writes, "My family and I will be moving from Nesbit to work with the Eastside congregation in Maryville, TN. When I have an address, I will update that with the school. Please keep both congregations in your prayers."

#### **Moved**

**Josh Herndon (2015)** writes, "I have moved from working with the congregation in Burns Flat, OK for the past 3 years to where I'm at now with the Guy church of Christ in Guy, AR. I have been with them since the beginning of August."

#### **Death**

**Albert McDaniel (1990)** passed away on December 23<sup>rd</sup>. Brother McDaniel won the Alumnus of the Year award in 2014 and was

a faithful gospel preacher. We extend our sympathy to his wife, Zelma, and the family.

#### **Medical Expenses**

During the second week of December, **Don Garey (2012)** requested help on Facebook with medical expenses incurred. I am happy to announce that through the generosity of many, the hospital bill was completely paid by the second week of January. He is very grateful.

#### **Birth**

**Donnie Vick (2009)** writes, “My family grew in 2018, as our 3rd child and 1st son, Amos Hardeman, was born on Aug 21. Also, I completed my MA in Biblical Studies from Amridge back in May.” Donnie preaches at the Edgewood church in Greenville, SC.

#### **Recovering**

**Rod Rutherford (1974)** wrote back on December 27<sup>th</sup>, “I had my second knee replacement surgery on Oct. 29. I am now recovering well and am able to drive again. I am also back to teaching a class at the Karns church of Christ where we attend since I retired from full-time work with Gatlinburg. I will preach this Sunday at Sevierville, filling in for **Kevin Ruiz (1992)** who is the new preacher there. This will be my first time back in the pulpit since my surgery.”

#### **Recovering**

**Michael Hughes (1976)** writes, “I had a very major setback due to a bad infection that set in and put me back in the hospital on an emergency basis for about a week. That has been fairly well successfully dealt with and I am getting better now. I have scheduled myself to preach at the Feb. 10 service at Marion. So, I do believe I am on the mend. We are still treating a hole that blew in my chest due to the infection bursting forth. The surgeon thinks I still have about four more weeks of that treatment. All in all, I am

definitely far improved now. I appreciate all the prayers from everyone. I pray things are well with you. Thanks for following up with me.”

#### **Recovering**

**Terry Claunch (1984)** writes, “Mike, I am still in the recovery mode. The surgery was successful in that the mass, for the most part, was removed. It was necessary to remove most of my small intestine and some of the large. I have just finished, as of tonight (1/24), my TPN, which is the nutrition through a PICC line. I will have to wait and see if I can keep up my weight. If not, I will probably go back on the TPN again. I have been preaching again and working my way back to full time effort. The congregation at Grandview Pines has been wonderful to us. We are blessed. Thank you for your interest and I do still need prayers for a fuller recovery. Keep up the good work.”

#### **Prayers Requested**

**Brandyn (2009)** and Hannah Graves request prayers for their newborn son, Rowan, who was born prematurely. Rowan is the grandson of **Kevin (2005)** and Pam Graves.

#### **Prayers Requested**

**Russell Kline (1989)** writes, “I don’t know when the next alumni newsletter comes out, but I wanted to be sure and include some news about my son, Kevin. He’s been diagnosed with Leber’s Hereditary Optic Neuropathy. As a result, he has lost more than 90% of his eyesight. Please pray for him, as he has many adjustments to make.”

#### **Panama Mission Work**

**Marlon Retana (2017)** writes, “Last January 6<sup>th</sup>, we were blessed to have the first worship services of Iglesia de Cristo en Las Villas (<http://idclasvillas.org>). Sixteen souls were together in the morning, and twelve in the afternoon. It is a small group but we are thankful to count with them at the beginning

of this work. Even when it is a small group, our house was full that day. We do not have a building yet, but we are thankful for being able to start in our living room. As Aquila and Priscilla and those in their house, we greet everyone (1 Cor. 16:19). It has not been easy to start, but we did it, and are thankful for that.”

### **Mission Work**

**Denton Landon (1983)** writes, “I was able to make five teaching trips in 2018. Two were to Ukraine, two to Tanzania (one to Chimala and one to Arusha) and one to Cameroon. In April I attended the graduation ceremony in Guatemala for the preacher training school and the first Masters class graduation. Plans were for a trip to India in the late fall but it was cancelled in large part due to increased government pressure on the school. The present national government is opposed to Christianity and is making it difficult to enter the country and work. For example one teacher had a government official come to school several times during his two week stay. Also I know one man who planned to teach in India but was denied a Visa when he applied. The first trip was to Ukraine in February to teach Isaiah. The trip to Chimala was for the Masters students from the area around Chimala and from Malawi. The trip to Cameroon was for staff development for the teachers in the English and French language preacher training schools). I was privileged to teach Bible class

or preach both Sundays and taught the Wednesday evening classes. The trip to Arusha, Tanzania was also for Masters classes. American missionaries have recently helped the brethren improve the farming on the school property. They are raising chickens for meat and to sell for income to help offset the cost of food student students. They also grow corn, a staple there for the school, as well as peppers, tomatoes, and lemon grass for tea. The final trip of the year was back to Ukraine to teach in the school after traveling to Denver for the annual Bear Valley retreat Labor Day week end. I taught Ezra, Nehemiah, and Esther to the second year class during the first course of the new school year. Lord willing, 2019 will involve two trips to Ukraine (February and September), one to Trinidad in July to begin a new master program (new Bear Valley association), and to Kenya also for a new masters program. There is also the possibility of other teaching opportunities arising. Please keep this work in your prayers in the coming new year.”

### **OABS CHANGES SOFTWARE**

Many of you know that I have also taught for the Online Academy Of Biblical Studies since 2002. In 2018, OABS rolled out new broadcasting software for instructors and congregations who stream with OABS, The program is called Hammurabi II and was designed and developed by brother Gil Yoder using open source software. *For the first time in a long time, OABS is able to stream their services to any device which has an Internet browser including Macs and iPhones and iPads.* Since Apple users have had a problem with this for some time, I wanted to bring this news to their attention. We have a number of MSOP graduates teaching for OABS. You can audit my Hebrews classes by going to: <https://www.oabs.org/Archives/classes/heb/2019/>
