

Test #1 for M.O.S.T. Class on Luke Chapters 1-8

Name: _____

You have one hour from the time you begin this test to completion. Use this sheet of paper or take a blank sheet(s) of paper and provide two (2) significant events from each chapter. Provide enough details to indicate you have studied the chapter carefully. You will be graded on the content provided and not necessarily the length of your answers. After completion you can mail this to me at the school address, drop it off at the office, or scan and send as email attachment. Thanks for continued interest in studying the Bible in our M.O.S.T. classes.
